SPONSOR ENDORSEMENT FORM – 2017**Dear Sponsor:**

Sponsorship is fundamental to the whole Cursillo method. Sponsorship is in effect a spiritual adoption of the new participant until he/she is able to form his/her own support system in order to transform his/her own environment. The Cursillo movement has three distinct parts, which must be prayerfully considered by the sponsor:

1) Pre-Cursillo - searching for and selection of participants in environments

Participants may be selected from any environment. Family, neighbourhood, workplace, community group and parish are all places where people meet. Ideally, the candidates you select, are mature people, clear about themselves and their faith yet open and humble. Whatever else, they should be open to transformation and renewal by the 3-day weekend. You may want to invite the applicants to an information session, group reunion or an Ultreya at some point before the weekend. Discuss the purpose and aims of Cursillo with the applicant and have them fill out the application form if they wish to attend the weekend. These forms are available on-line and can be filled out on-line (preferred), Faxed, emailed or slow-mailed once they are completed. The same process applies with your sponsorship form. It is no longer necessary to have the Parish Priest complete a separate form.

2) For the Weekend:

Remain close to the new participant, pray for him/her, and arrange for transportation to Entheos. Do whatever else needs to be done so as to make his/her weekend as worry free as possible. Confirm your applicant's attendance at least one week ahead and again 24 hours before the weekend. If they must cancel, please notify our Pre-Cursillo Committee Chairperson, DAN BRISBIN as soon as possible. Organize Palanca from other Cursillistas who know the participant and arrange a "love letter" from the spouse, if applicable. During the weekend, "check in" with the spouse and arrange for delivery of Palanca. The Sunday of your participant's weekend, ask your parish to pray for the new participant. Please attend your candidate's Clausura.

3) The Fourth Day:

The Fourth Day is the living out in the community. This is where sponsorship is vital. Please invite the new Cursillista to join your group or offer to start a new group with him/her or arrange for him/her to join a group you know about. You should contact the Fourth Day committee and advise them if you cannot help in this area so that someone else can step in. This can be done through the Cursillo website www.cursillo.ab.ca. Encourage the new Cursillista to attend Ultreya or better still invite them to accompany you.

Your participant will be notified by e-mail that they have been accepted. They will also receive a letter outlining the basics, such as time and place and what to bring. The name and phone number of the Lay Director will be included in case questions arise. To have an application held over to the next year, notify the Pre-Cursillo Committee Chairperson, Kerin Spaargaren, before the deadline for the next weekend. Most important are your unceasing prayers for the participant and the Cursillo movement.

Thank you. God bless you for this very important role.
